In the back room of Liliane Denis' antique store, she's masturbating while naked. Her moans are so loud that they draw you to the back.

"Mrs. Denis? What the...?"

"Ah~ AH~... Are you a customer? OH~ Forgive me... BUT I NEED IT!"

It seems that Liliane needs sex. You offer to help her. While Liliane continues to wet her pussy, you suck on her nipples and massage her back. Liliane comes and she thanks you. You plan to ask her why she couldn't have waited until she was back home before satisfying herself sexually when another client arrives. A man. Rather than being offended by this spectacle, he undresses. You do the same. You, Liliane and the man have a threesome. You play with Liliane's breasts, Liliane kisses you, the man enters his dick into Liliane's pussy.
